Application

This unit describes the oral and written communication skills required to use workplace communication strategies for interacting with internal and external clients. It includes responding to enquiries, receiving and giving directions, participating in meetings and making presentations in the workgroup.

This unit applies to those working in public sector roles but may be applied to anyone working in a similar organisational context.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work under supervision, while performing routine tasks in a range of familiar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
