Application

This unit describes the skills required to develop and maintain effective workplace relationships and networks. It includes establishing and maintaining working relationships, and representing and promoting the organisation.

This unit applies to those working in generalist and specialist roles within the public sector.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work independently performing complex tasks in a range of familiar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.

Competency Field

General

Elements and Performance Criteria

ELEMENTS	PERFORMANCE CRITERIA
Elements describe the essential outcomes	Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold italicised text is used, further information is detailed in the range of conditions section.

1. Build and maintain networks	<p>1.1 Identify networking opportunities and pursue to maximise a range of personal industry contacts.</p> <p>1.2 Communicate information regarding new network opportunities to inform colleagues and managers of the potential benefits to the organisation of involvement.</p> <p>1.3 Assess the level of usefulness of existing networks against current involvement, and make adjustments to improve or downgrade relationships.</p> <p>1.4 Maintain participation in professional networks and associations to obtain and maintain personal knowledge and skills.</p>
