Application

This unit describes the skills required to have basic knowledge of the public sector financial framework and its application to routine financial processes by staff working in a non-specialist finance role but with responsibility for financial duties/processes. It includes identifying and implementing public sector financial requirements related to the work role.

This unit applies to those working in the public sector who deals with financial frameworks and processes.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work independently with some supervision of others, performing routine tasks in a familiar context.

No licensing, legislative or certification requirements apply to unit at the time of publication.

Competency Field

General
