# **PSPGEN134** Coordinate risk management

Release: 1

# PSPGEN134 Coordinate risk management

#### **Modification History**

Supersedes and is equivalent to PSPGEN058 Coordinate risk management.

# Application

This unit describes the performance outcomes, skills and knowledge required to coordinate risk management in the organisation.

This unit applies to those working in generalist and specialist roles within the public sector. Those undertaking this unit work independently, with supervision responsibilities, performing complex tasks in a range of familiar and unfamiliar contexts.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

# Pre-requisite Unit

Nil

### **Competency Field**

General

# **Elements and Performance Criteria**
