PSPGEN148 Develop internal and external networks

Release: 1

PSPGEN148 Develop internal and external networks

Modification History

Supersedes and is equivalent to PSPGEN039 Develop internal and external networks.

Application

This unit describes the performance outcomes, skills and knowledge required to develop and maintain effective workplace relationships and networks.

This unit applies to those working in generalist and specialist roles within the public sector. Those undertaking this unit work independently performing complex tasks in a range of familiar contexts.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
