Assessment Requirements for PSPLND002 Compile and check survey plans

Release: 1

Assessment Requirements for PSPLND002 Compile and check survey plans

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

• compiling and preparing survey plans
• interpreting survey plans
• checking survey plans
• calculating a survey close
• converting imperial dimensions to metric
• creating an easement or covenant

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

• land titles office guidelines for plan preparation and lodgement
• distance calculations and geometry
• past and current survey techniques and practices
• easement or covenant creation
• public sector legislation, including work health and safety, environment, privacy and diversity in the context of compiling and checking survey plans

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
