## **Compile and check survey plans**

**Release: 1**

# Assessment Requirements for PSPLND014 Compile and check survey plans

## Modification History

Supersedes and is equivalent to PSPLND002 Compile and check survey plans.

## Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least one occasion:

- check a survey plan against requirements for accuracy and compliance
- compile a survey plan
- calculate a survey close
- create an easement or covenant.

## Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- land titles office guidelines for plan preparation and lodgement
- principles and methods of calculations used in survey plans including distance calculations and geometry
- past and current survey techniques and practices
- requirements for easement or covenant creation
- legislation, in the context of compiling and checking survey plans.

## Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation, in the context of compiling and checking survey plans
- procedures and guidelines relating to compilation and checking of survey plans.
- survey plan drawing equipment, records and resources
- a programmable calculator, or device used in the workplace for survey calculations.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
