Assessment Requirements for PSPMGT007 Manage risk

Release: 1

Assessment Requirements for PSPMGT007 Manage risk

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying legislation, regulations and policies relating to risk management
- researching and analysing the wider context affecting the organisation
- using communication and consultation with a diverse range of stakeholders
- applying problem solving using conceptual and reasoning skills
- engaging in discussion using exchange of complex oral information
- using a variety of words and language structures to explain complex, formal documents and assisting others to apply them in the workplace

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- legislation, regulations, policies, procedures and guidelines relating to risk management
- Australian and New Zealand standards
- Guidelines for managing risk in the Australian and New Zealand public sector
- risk management cycle
- the relationship of risk to context – how the context may define the risks
- the importance of consultation and communication at every stage of the risk management cycle
- legal requirements related to the activity
- whole-of-life considerations

- approval processes
- range of evaluation methodologies
- the diversity of risks in the public sector
- public sector legislation, including work health and safety and environment in the context of risk management

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
