### Application

This unit describes the skills required to contribute to the consultative and validation stages of policy development, provide feedback and contribute to the review of policy.

This unit applies to public sector staff and other stakeholders whose roles include contributing to the policy development process.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work independently, and as part of a team, with occasional supervisory responsibilities. They would perform complex tasks in a range of familiar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
