Assessment Requirements for PSPREG015

Receive and validate data

Release: 1

Assessment Requirements for PSPREG015 Receive and validate data

Modification History

Release	Comments
1	<p>These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages.</p> <ul style="list-style-type: none">• Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- undertaking research and critical analysis
- using deductive reasoning and evaluation techniques related to information analysis and corroboration
- communicating with diverse clients and staff
- using problem solving and decision making
- using information technology for managing records and files

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation
- organisational policy, procedures and guidelines
- international treaties and protocols where these apply
- indicators for analysis of data
- profiles and trends related to activities within the organisation
- management of secure information

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
