Application

This unit describes the skills required to protect assets and minimise security risks, by implementing asset restrictions and advising third parties of security requirements.

This unit applies to those working in a role where security of human and physical assets is a requirement.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would generally work independently and/or as part of a team, using support resources as required. They would perform routine tasks in a range of familiar and unfamiliar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.

Elements and Performance Criteria

ELEMENTS	PERFORMANCE CRITERIA
Elements describe the essential outcomes	Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold italicised text is used, further information is detailed in the range of conditions section.
1. Protect assets from security threats	1.1 Secure assets, control, monitor and check access to ensure security. 1.2 Investigate suspicious activity and seek expert advice as required.
2. Implement access restrictions	2.1 Restrict access to authorised personnel and identify potential threats. 2.2 Identify breaches, take action to deal with the breach and report to appropriate personnel.
3. Advise third parties of security requirements	3.1 Confirm needs, expectations, attitudes, and current level of knowledge of third parties and advise them of organisation's security requirements. 3.2 Identify and manage risks related to possible confrontations. 3.3 Provide current and prompt advice that meets the needs of the parties. 3.4 Obtain feedback to determine the party's level of understanding and clarify requirements if needed.
4. Minimise security risk	4.1 Identify changes in circumstances, report to appropriate personnel and complete documentation. 4.2 Take action to reduce the likelihood of breaches reoccurring.

Foundation Skills

The foundation skills demands of this unit have been mapped for alignment with the Australian Core Skills Framework (ACSF). The following tables outline the performance levels indicated for successful attainment of the unit.

ACSF levels indicative of performance:
