Assessment Requirements for PSPSEC002 Respond to government security incidents

Release: 1

Assessment Requirements for PSPSEC002 Respond to government security incidents

Modification History

Release	Comments
1	<p>These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages.</p> <ul style="list-style-type: none">• Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- applying legislation, regulations and policies relating to government security management
- undertaking research, analysis, including trend analysis, and problem-solving
- using communication techniques including interviewing, tailored to diverse stakeholder groups
- planning, carrying out and guiding an investigation
- recording evidence
- writing reports and recommendations
- maintaining expedited, complete and accurate records

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- legislation, regulations, policies, procedures and guidelines relating to government security management
- organisation's security plan
- Crimes Act 1914 and Criminal Code 1985
- powers inferred to investigate security incidents, including limitations
- referral procedures and appropriate agencies
- intelligence and analytical processes
- conduct of administrative, security or criminal investigations

Assessment Conditions

Assessment of this unit requires a workplace environment or one that closely resembles normal work practice and replicates the range of conditions likely to be encountered when responding to security incidents.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
