Assessment Requirements for PSPSEC018 Secure government assets

Release: 1

Assessment Requirements for PSPSEC018 Secure government assets

Modification History

Supersedes and is equivalent to PSPSEC001 Secure government assets.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least two occasions:

- apply legislation, regulations and policies relating to government security management
- apply analysis and problem solving
- tailor communication to the needs of a diverse range of people inside and outside the organisation
- complete documentation.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- legislation, regulations, policies, procedures and guidelines relating to government security management
- organisational standards for management of classified information and assets
- available sources of expert advice
- international protocols and treaties impacting on government security management.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation, regulations, policies, procedures and guidelines relating to government security management.
- organisational standards for management of classified information and assets
- resources and equipment required of the working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
