Release: 1

PSPSEC020 Conduct security awareness sessions

Modification History

Supersedes and is equivalent to PSPSEC003 Conduct security awareness sessions.

Application

This unit describes the performance outcomes, skills and knowledge required to present information and awareness sessions on government security management.

This unit applies to those working in a security environment or other generalist or specialist public sector workplaces. They work independently and as part of a team, using support resources, and may have occasional supervisory responsibilities. They perform complex tasks in a range of familiar and unfamiliar contexts.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
