1	<p>This skill set was released in PSP Public Sector Training Package release 1.0 and meets the Standards for Training Packages.</p> <p>Supersedes and is equivalent to PSP12 Public Sector Fundamentals Skill Set.</p> <ul style="list-style-type: none">• PSP unit codes updated.

Description

This skill set is for individuals working within or new to the public sector. These competencies provide an overview of the sector, an understanding of core public sector values, principles and diversity issues, and expectations relating to government services, communications, practices and processes.

Pathways Information

These units serve as a foundation for government qualifications and as an introduction to the Public Sector for new employees, team leaders or supervisors. Completion of this skill set contributes to most Certificate IV level government generalist and specialist qualifications.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

Units	
PSPETH002	Uphold and support the values and principles of public service
PSPGEN029	Value diversity
PSPGEN043	Apply government processes
PSPLEG002	Encourage compliance with legislation in the public sector
PSPPCY004	Support policy implementation

Target Group

Not applicable.

Suggested words for Statement of Attainment

These competencies meet the industry standard for people working in the Public Sector environment.
