PSPSS00055 Public Sector Fundamentals

Release 1

PSPSS00055 Public Sector Fundamentals

Modification History

Not applicable.

Description

This skill set provide skills and knowledge for those working within or new to the public sector in relation to understanding the organisational framework in the context of core public sector values.

Pathways Information

These units serve as a foundation for government qualifications and as an introduction to the public sector for new employees, team leaders or supervisors. Completion of this skill set contributes to the Certificate IV level generalist and specialist qualifications in the PSP Training Package.

Licensing/Regulatory Information

No occupational licensing, certification or specific legislative requirements apply to this skill set at the time of publication.

Skill Set Requirements

Unit code	Unit title
