PSPTIS127 Maintain and enhance professional practice

Release: 1

PSPTIS127 Maintain and enhance professional practice

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to manage personal professional performance and to take responsibility for own professional development. It includes knowledge of the translating and interpreting industry and relevant professional development opportunities.

The unit applies to established translators and interpreters seeking to enhance their career and professional development.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian Standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Competency Field

Translating and Interpreting

Elements and Performance Criteria

ELEMENTS

PERFORMANCE CRITERIA

Elements describe the essential outcomes.

Performance criteria describe the performance needed to demonstrate achievement of the element.

1. Review and determine personal development needs.
