# Assessment Requirements for PSPTRP003 Intercept vehicles and assess driver compliance

## Modification History

| Release | Comments  |
|---------|---|
| 1       | <p>These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages.</p> <ul style="list-style-type: none"><li>• Assessment Requirements created drawing upon specified assessment information from superseded unit</li></ul> |

## Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- questioning and negotiating in sometimes difficult situations
- informing and explaining offences and penalties
- checking equipment
- reading complex legislation, regulations and standards
- completing required paperwork
- applying requirements from legislation, regulations, policies and standards to assess driver compliance
- intercepting vehicles and assessing driver compliance in actual or simulated circumstances on at least three separate occasions or in three different situations
- adhering to legal, ethical and organisational requirements relating to the interception of vehicles and assessment of driver compliance
- enforcing legislation within the limits of the officer's authority

## Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- organisational policies and procedures
- legislation and regulations
- operational safety in the context of assessing compliance
- enforcement powers

- sanctions and/or penalties
- offences
- cautions and/or warnings

## Assessment Conditions

Some components of this unit require assessment in a workplace environment (real or simulated) therefore the unit is not suitable for fully external or electronic based assessment.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
