Assessment Requirements for PSPWPI002 Facilitate improvement in workplace legislative performance

Assessment Requirements for PSPWPI002 Facilitate improvement in workplace legislative performance

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying risk management principles
- undertaking research and analysis
- communicating and influencing in order to facilitate change in the workplace
- reading and explaining complex and formal documents, including legislation and their application to clients' situations
- providing advice and participating in discussions involving complex exchanges of oral information
- facilitating improvement in workplace legislative performance in 3 or more contexts or on 3 or more occasions.

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- work health and safety and/or workers compensation and/or injury management and/or workplace relations legislation, policies and requirements
- risk management principles
- change management processes

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
