Revision Number: 2

PSP42010 Certificate IV in School Support Services

Modification History

PSP42010 Release 2: Layout adjusted. No changes to content.

PSP42010 Release 1: Primary release.

Description

This specialist qualification covers the competencies required by staff working at an experienced level providing school support services in non-government schools. It is not targeted at teacher aid occupations. Electives may be taken from a single stream, such as administration or library support, or from a range of streams to suit the particular workplace. Electives should reflect the responsibilities of the individual and the job skills required for effective performance. Where a free choice of electives is possible in the qualification packaging rules, electives may also be drawn from other Training Packages to reflect the work context and career plans of the individual
