PUACOM010 Promote the organisation's mission and services

Modification History

Release 1. This is the first release of this unit of competency in the PUA Public Safety Training Package.

Application

This unit of competency involves the skills and knowledge required to build networks which facilitate the promotion and representation of the organisation's mission and services. It includes building networks and developing working relationships whilst representing and promoting the organisation's mission and services.

The unit is applicable to public safety managers with a broad and strategic role in promoting the organisation's mission and services.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

The fire sector is those sections of government departments, statutory authorities or organisations that have responsibility under jurisdictional arrangements for the delivery of firefighting and fire management services.

It is essential that the prerequisite units listed below are obtained prior to the issuance of this unit to individuals within the fire sector or the units contributing to the attainment of a fire qualification.
