Employability Skills Summary

Employability Skills Summary for PUA31506 Certificate III in Public Safety (**Armoured Operations**)

Employability Skills are part of a unit of competency.

Employability Skills statements from a selection of units of competency from the PUA31506 Certificate III in Public Safety (Armoured Operations) have been reproduced in the table below.

This table provides an example of Employability Skills for the qualification because Employability Skills within a qualification will vary depending on the qualification packaging options.

Public Safety qualifications have core units (which must be achieved) and elective units (where there is a choice of units which must be achieved) so different Employability Skills Summaries are possible within the one qualification, depending on the package of core units and chosen elective units. **Employability Skill**	**Employability Skills Statement**
Communication	- access, interpret and rehearse fire emergency procedures - access, read and interpret local emergency procedures - adjust communication styles to reflect equity and diversity principles - apply appropriate techniques when providing constructive feedback to other team members and to give and receive support to/from team members - apply interpersonal and cross-cultural communication strategies - ensure that information, knowledge and skills are communicated effectively and shared - follow organisational policies and guidelines - follow legislative and statutory requirements - follow standard procedures, safety procedures and instructions

	• identify, confirm and report the nature and scope of the fire • identify emergency alarms and match with response requirement • identify, report and/or rectify armoured fighting vehicle faults • recognise and report breaches of organisational codes of ethics and/or practice and statements of values • send and receive simple non-verbal signals • seek support where required to enable identification and implementation of positive alternatives to personal problems • share and effectively communicate between team members, information, knowledge and skills relevant to work • work with others and make a positive contribution to the effectiveness and efficiency of a team
Teamwork	• assist in the completion of tasks when requested by other team members and is appropriate • conduct inspections and checks to maintain armoured fighting vehicle performance • conduct operator maintenance • contribute to identifying team goals and objectives • encourage and acknowledge participation by team members • guide and facilitate teams • identify, acquire and engage targets • recognise, value and adjust own behaviour to individual differences in the workplace by treating others with respect and dignity and to recognise and apply equity and diversity principles • test, adjust or replace armoured fighting vehicle sub-systems and ancillary equipment • understand principles of teamwork and team's aims and objectives • work as part of an armoured fighting vehicle crew • work in an acceptable and non-discriminatory manner while establishing rapport and good working relationships with all colleagues
Problem solving	• continually assess the environment to identify the threat or their sign • identify, report and or rectify faults on armoured fighting vehicles • identify weaknesses for exploitation • minimise personal signature • select the type of camouflage required for a particular situation
Initiative and enterprise	• use improvised techniques appropriately such as minimising personal signature
Planning and	• apply navigational techniques

organising	• assess factors influencing camouflage and concealment • assess the environment so that appropriate camouflage and concealment techniques can be applied • assess the tactical situation so that appropriate camouflage and concealment techniques can be applied • assess threat's detection capabilities • conduct weapon drills • demonstrate understanding of, and apply throughout operation, occupational health and safety requirements and recognised safety precautions including those contained in the Australian Defence Force procedures • operate vehicle communications systems • prepare armoured fighting vehicle for operations/battle • prepare weapon systems for operations • select appropriate routes
Self-management	• commit to the jurisdiction's laws and the organisation's policy procedures • comply with workplace equity and diversity practices • conduct self in a manner that shows sensitivity to the differences between colleagues • identify, plan and implement personal development strategies • model and maintain high standards of personal performance, ethics and integrity • monitor and manage personal physical and emotional health • recognise the limit of own authority • review, monitor and self-assess own performance • seek formal and informal performance feedback regularly • work without supervision
Learning	• access, interpret and rehearse fire emergency procedures • conduct weapon drills
Technology	• apply driving techniques to negotiate complex terrain • apply tactical operating techniques • check, identify, select and use firefighting equipment • check the armoured fighting vehicle for operation • conduct operations using armoured fighting vehicle direct fire weapon systems • identify in-service ammunition • maintain weapon systems • manoeuvre armoured fighting vehicle to allow the direct fire weapon systems to be employed • operate/drive an armoured fighting vehicle • operate equipment to support weapon functions • use communications and signalling devices

	• use emergency devices (e.g. parachute, life-raft) and weapons

Packaging Rules

Qualification Requirement: **18 units**
All 5 core units, **plus 6 units from the specialisation elective units**, **plus 4 transport elective units**, **plus 3 general elective units**
Specialisation elective units should be selected from the fields that most closely align to an individual's occupational outcomes.
The 3 general elective units may be taken from the general elective units listed below, or may include 2 units taken from within this Training Package or any other endorsed Training Package at the same qualification level or a higher level.

Code	Core Units
PUADEFCA101B	Operate and maintain an armoured fighting vehicle
PUADEFCA102B	Operate and maintain armoured fighting vehicle weapon systems
PUADEFCM001B	Use personal camouflage and concealment in a threat environment
PUADEFEQ001C	Work with equity and diversity
BSBCMN211A	Participate in workplace safety procedures

Code	Specialisation Elective Units

Combat Field

PUADEFCA001B	Observe and monitor hostile areas to detect targets
PUADEFCA002B	Operate remote sensors to detect targets
PUADEFCA003B	Operate a radar to locate targets
PUADEFCA004B	Conduct military searches
PUADEFCA005B	Operate communications equipment
PUADEFCA006B	Perform an individual free fall parachute descent
PUADEFCA007B	Perform an individual free fall parachute descent carrying combat equipment
PUADEFCA008B	Perform an individual static line parachute descent
PUADEFCA009B	Perform an individual static line parachute descent carrying combat equipment
PUADEFCA010B	Perform a team free fall parachute descent carrying combat equipment
PUADEFCA401B	Undertake security operations

Government Skills Australia

Code	Core Units
PUADEFCA402B	Undertake defensive operations
PUADEFCA403B	Undertake offensive operations
PUADEFCA404B	Undertake reconnaissance tasks
PUADEFCA405B	Undertake surveillance patrol tasks
PUADEFCO401B	Maintain security in a Defence communications and information systems environment
PUAOPE003B	Navigate in urban and rural environments

Weapons Field

PUADEFCA406B	Operate a service pistol
PUADEFCA407B	Operate a sustained fire machine gun
PUADEFCA408B	Operate sustained fire machine guns on operations
PUADEFCA409B	Operate a shotgun
PUADEFCA410B	Throw grenades on operations
PUADEFCA411B	Operate a grenade launcher
PUADEFCA412B	Operate a mortar
PUADEFCA413B	Operate a direct fire support weapon
PUADEFCA414B	Operate direct fire support weapon systems on operations
PUADEFCA415B	Operate anti-personnel weapon
PUADEFCA416C	Employ hand operated pyrotechnics
PUADEFCA417B	Destroy targets using a direct fire guided weapon system
PUADEFCA419B	Operate a service rifle on operations
PUADEFCA420B	Operate a light support weapon on operations
PUADEFCM101C	Operate a service rifle

**Explosive
Ordnance Field**

Code	Core Units
PUADEFEO101D	Work safely with explosive ordnance
PUADEFEO706D	Participate in the conduct of explosive ordnance disposal operations
PUADEFEO711C	Conduct military demolition operations
PUADEFEO712C	Lay and clear booby traps
PUADEFEO713C	Lay and clear mines

Safety and Emergency Field	
PUADEFCA302B	Assist in the construction of minefields
PUADEFCA304B	Prepare, operate and maintain small watercraft
PUADEFCA305B	Assist in the construction of wet gap crossings
PUADEFCA306B	Assist in the construction of dry gap crossings
PUADEFOH005B	Apply radio frequency radiation safety procedures
PUADEFOH007B	Apply ionising radiation safety procedures
PUADEFOH009B	Work safely with lasers
PUADEFOH012B	Identify confined space
PUADEFOH013B	Enter confined space
PUADEFOH014B	Test confined space environment
PUAEME001B	Provide emergency care
PUAFIR207B	Operate breathing apparatus open circuit
PUAFIR308B	Employ personal protection at a hazardous materials incident

Code	Transport Elective Units
PUADEFTP001B	Operate a vehicle in an environment of threat
PUADEFTP002B	Operate a vehicle at night
PUADEFTP003B	Operate a vehicle over difficult terrain
PUADEFTP004B	Operate a vehicle using night fighting equipment (NFE)

Code	Core Units
PUADEFTP005B	Operate a multi-axle trailer
BCCPO3002B	Conduct dozer operations
SRODRV001B	Drive and recover a 4WD vehicle
SRODRV002B	Drive a 4WD vehicle in difficult terrain using advanced technique
SRODRV003B	Coordinate recovery of a 4WD vehicle using advanced techniques
TDTB397B	Carry out vehicle servicing and maintenance
TDTB497B	Carry out vehicle inspection
TDTC2501A	Operate four wheel drive vehicle
TDTC297B	Drive light rigid vehicle
TDTC397B	Drive medium rigid vehicle
TDTC497C	Drive heavy rigid vehicle
TDTC697B	Drive multi-combination vehicle
TDTD1597B	Identify and label explosives and dangerous goods
TDTD1697B	Load and unload explosives and dangerous goods
TDTF1097B	Apply fatigue management strategies
TDTF1297B	Apply safe procedures when handling/transporting dangerous goods or explosives
TDTF1397B	Coordinate breakdowns and emergencies
TDTH297C	Plan and navigate routes
Code	**General Elective Units**
BCG1006A	Use small plant and equipment
BSBCMN203A	Communicate in the workplace
BSBCMN206A	Process and maintain workplace information
BSBSUS201A	: Participate in environmentally sustainable work practices
HLTFA2A	Apply advanced first aid

Code	Core Units
PSPGOV204B	Access and use resources
PSPGOV207A	Use technology in the workplace
PUADEFEO201C	Respond to fire
PUATEA001B	Work in a team
PUATEA005A	Manage own professional performance
RTC1301A	Operate basic machinery and equipment
RTC2304A	Operate and maintain chainsaws

NOTES

BCC units have been imported from the BCC03 Civil Construction Training Package.

BCG units have been imported from the BCG03 General Construction Training Package.

BSB units have been imported from the BSB01 Business Services Training Package.

HLT units have been imported from the HLT02 Health Training Package.

PSP units have been imported from the PSP04 Public Sector Training Package.

RTC units have been imported from the RTC02 Rural/Conservation Common Units.

SRO units have been imported from the SRO03 Outdoor Recreation Industry Training Package.

TDT units have been imported from the TDT02 Transport and Distribution Training Package.

Information about customising PUA00 Public Safety Training Package qualifications is on page .
