## Required Skills and Knowledge

This describes the essential skills and knowledge and their level, required for this unit.

### Required Skills

- written and oral communication skills (listening, negotiation, conflict resolution)
- planning
- coordination and leadership skills to lead a multi-agency personnel response
- presentation skills
- eliciting skills
- debriefing
- interpreting skills to interpret intelligence information
- logic and reasoning
- decision making and problem solving

### Required Knowledge

- case officer's role
- operations in general
- organisational operational procedures and guidelines
- relevant legislation
- correct interpretation of all applicable laws, policy and procedures
- planning (appreciation) process
- written communication
- problem solving techniques
- unit and equipment capabilities and their application to a plan
- briefing techniques
- information management systems
- government and policy environments within which operations will be conducted
- available resources which may need to be deployed to support the operation, eg. security issues and classifications
- court procedures and evidentiary requirements in provision of briefs of evidence for use by the prosecution

## Evidence Guide

### **Critical aspects for assessment and evidence required to demonstrate competency in this unit**

Competence in this unit must be established through the practical demonstration of skills in confiscating assets in accordance with organisational policy and legislation, and storing assets securely.

### **Consistency in performance**

Evidence of competency in this unit needs to be gathered over time and in a range of confiscation of assets contexts.

### **Context of and specific resources for assessment**

#### **Context of assessment**

Evidence should be gathered over a period of time in a range of actual or simulated workplace environments.

#### **Specific resources for assessment**

Access to storage facilities for confiscated assets.

## Range Statement

The Range Statement relates to the Unit of Competency as a whole. It allows for different work environments and situations that may affect performance. ***Bold italicised*** wording in the Performance Criteria is detailed below.

- The term overall operational objectives*** relates to:
- an investigation or operation into a substantive offence/a part, of which involves an operation to seize or restrain assets
- The ***plan*** would include:
- avenues of inquiry to be pursued
  - timings
  - investigative tools to be utilised such as search warrants
  - production orders and should cover pre and post interdiction as well as the execution phase of the operation
- The legislation relating to confiscation of assets*** include:
- The Proceeds of Crime Act 1987 and the Customs Act 1901
- Safe storage and maintenance provisions*** include:
- the provision for vehicles
  - vessels and other personal property
  - valuables such as jewellery and currency
  - maintenance of seized equipment or property
  - maintenance of premises
- Relevant personnel to be informed of the plan*** include:
- the team leader of the overall investigation
  - other agencies involved in the investigation
  - Department of Public Prosecutions
  - ITSA
- The documentation required to locate and quantify assets*** include:
- monitoring orders, production orders and search warrants pursuant to the Proceeds of Crime Act 1987
- The documentation required to seize or restrain assets*** include:
- search warrants pursuant to the Proceeds of Crime Act 1987
  - seizure warrants pursuant to the Customs Act 1901
  - restraining orders pursuant to the Proceeds of Crime Act 1987
- A briefing should contain elements*** such as:
- evidence of the existence of a search/seizure warrant or details of the target
  - types of documents/assets to be seized
  - details of the target site
  - equipment required
  - rehearsals
  - timings of the operation

- tasks to be completed prior to, during and after the operation
  - procedures of the securing of documentation/assets
- Seized assets* include:
- assets seized pursuant to the Proceeds of Crime Act 1987
  - Customs Act 1901 or other appropriate legislation
- Restrained assets* include:
- assets include assets restrained pursuant to the Proceeds of Crime Act 1987 whether they are physically seized or not
- The documentation required to dispose of assets* include:
- correspondence with DPP and ITSA, confiscation and forfeiture orders pursuant to the Proceeds of Crime ACT 1987

## **Unit Sector(s)**
