	<p>strategies</p> <ul style="list-style-type: none">• work effectively with other personnel in the organisation
--	---

Problem solving	<ul style="list-style-type: none"> • assess moving casualty to a safer location • identify and communicate additional or specific resource requirements • identify hazards to self and others and take appropriate action to safeguard against injury • monitor and assess treatment, and appropriately amend the management plan in response to changes in condition of the casualty and/or environment • operate within local supervisory/management responsibility and apply known solutions to a variety of predictable problems • provide emergency care pending the arrival of appropriately qualified personnel • recognise and resolve problems and conflict • rectify and/or report first aid equipment faults • use the organisation's policies and procedures
Initiative and enterprise	<ul style="list-style-type: none"> • make initial assessment of extent and nature of emergency care required • monitor treatment • use information such as characteristics of natural, local and built environments, demographics (population distribution, social, cultural, health status and education data), economic activity reports and government reports • use improvised techniques, when limited access to equipment necessitates
Planning and organising	<ul style="list-style-type: none"> • accurately record details of casualties' condition, treatment and response to treatment in line with organisation's procedures • assess work load and set priorities within allocated timeframes • compare calculated level of risk to the established risk evaluation criteria and determine to be acceptable or unacceptable in consultation with the supervisor • determine scope and focus of a feasible emergency risk management project • evaluate treatment plans to determine residual risk following implementation • identify factors affecting work requirements, assess impact and take appropriate action to ensure work requirements are met • monitor, review and record effectiveness and efficiency of the treatment plan, in accordance with organisational policies and procedures, to ensure compliance and validity • use equipment according to casualty's condition, availability and to organisation's procedures
Self-management	<ul style="list-style-type: none"> • apply knowledge of current practices and procedures in emergency care • apply knowledge of legal and ethical issues in pre-hospital care

	<ul style="list-style-type: none"> • conduct oneself at all times in accordance with organisation's policies, procedures and standards • develop and maintain own expertise • identify training and development needs relevant to the area of work • maintain universal hygiene precautions • maintain work effectiveness • manage own work • monitor own work • observe designated dress codes • participate in programs to ensure level of expertise meets organisation's requirements • recognise and manage signs of personal stress • recognise level of well being necessary to perform work effectively • remain calm under pressure • voice personal view to the review process
Learning	<ul style="list-style-type: none"> • learn about assessment of casualty, in accordance with organisation's procedures • learn about culture, diversity and history of communities, environments and associated concerns, issues and sensitivities • learn about current practices and procedures in emergency care • learn about group dynamics • learn about perception of risks • learn about strategies for resolving conflict
Technology	<ul style="list-style-type: none"> • analyse information • operate first aid equipment • represent mathematical ideas in appropriate format • use information technology effectively • use technology such as monitoring and assessment resources • use technology, which may include specified methods or tools for examining any available data, such as audit results/incident reports

Packaging Rules

12 units of competency are required for this qualification including:

- 3 core units
- 9 elective units

Choose 3 elective units from the Group A list below.

Choose a minimum of 4 elective units from the Group B list of elective units below.

Choose the remaining 2 elective units from either the Group B elective list below or elsewhere within this training package or another endorsed training package, or accredited course.

All elective units selected from outside this qualification must be from an equivalent qualification level or higher.

Elective units selected must not duplicate content already covered by other units in this qualification.

Code	Core Units
PUACOM001 C	Communicate in the workplace
PUACOM002 B	Provide services to clients
PUATEA004D	Work effectively in a public safety organisation

Code	Elective Units
Group A	
PUACOM014 B	Contribute to community safety
OR	
PUAFIR208B	Participate in community safety activities
PUACOM015 B	Conduct community safety activities
OR	
PUAFIR301B	Undertake community safety activities
PUAEME001B	Provide emergency care
PUAEME002C	Manage injuries at emergency incident
PUAEMR027	Assess operational risk

PUAEMR008B	Contribute to an emergency risk management process
PUAEMR026	Treat operational risk
PUAFIR206B	Check installed fire safety systems
PUAFIR314B	Utilise installed fire safety systems
PUAOHS001C	Follow defined occupational health and safety policies and procedures
PUAOHS002B	Maintain safety at an incident scene
PUAPOLIM00 2A	Promote public safety objectives by liaison with a culturally specific community
PUAWER001B	Identify, prevent and report potential workplace emergency situations
PUAWER004B	Respond to workplace emergencies
PUAWER008B	Confine small workplace emergencies

Group B

PUACOM005 B	Foster a positive organisational image in the community
PUACOM006 B	Plan and conduct a public awareness campaign
PUACOM011 B	Develop community awareness networks
PUACOM012 B	Liaise with media at a local level
PUALAW001 B	Protect and preserve incident scene
PUALIO002B	Provide local community, cultural and geographic information to other agencies and tourists
PUAPOLIM00 3A	Provide interpreting and translating services
PUATEA001B	Work in a team
PUATEA002B	Work autonomously
PUATEA005A	Manage own professional performance
AHCCCF413A	Service committees
CHCCD401D	Support community participation
CHCCD413D	Work within specific communities
CHCGROUP3 02D	Support group activities
CHCYTH301D	Work effectively with young people
SITXMPR002	Create a promotional display or stand

A

TAEDEL301A Provide work skill instruction
