13 units of competency are required for this qualification including:

- 7 core units
- 6 elective units

Choose a minimum of 4 elective units from the lists below.

Choose the remaining 2 elective units from either the lists below, or elsewhere within this training package, or another endorsed training package, or accredited course.

Only 2 elective units may be chosen from the Group B list.

All elective units selected from outside this qualification must be from an equivalent qualification level or higher.

Elective units selected must not duplicate content already covered by other units in this qualification.

Where a pre-requisite unit is attached to a unit it is identified by this symbol ⊥.

The pre-requisite units attached to any of the units must be undertaken and are additional to the number of units required for the qualification.
