Employability Skills Summary

Employability Skills are part of a unit of competency.

Employability Skills statements from a selection of units of competency from the PUA60513 Advanced Diploma of Public Safety (Firefighting Management) have been reproduced in the table below.

This table provides an example of Employability Skills for the qualification because Employability Skills within a qualification will vary depending on the qualification packaging options.

Public Safety qualifications have core units (which must be achieved) and elective units (where there is a choice of units which must be achieved) so different Employability Skills Summaries are possible within the one qualification, depending on the package of core units and chosen elective units.

Packaging Rules

11 units of competency are required for this qualification including:

- 4 core units
- 7 elective units

Choose a minimum of 5 elective units from the lists below.

Choose the remaining 2 elective units from either the lists below, or elsewhere within this training package, or another endorsed training package, or accredited course.

At least 1 elective unit must be chosen from Group A.

All elective units selected from outside this qualification must be from an equivalent qualification level or higher.

Where a pre-requisite unit is attached to a unit it is identified by this symbol \bot .

The pre-requisite units attached to any of the units must be undertaken and are additional to the number of units required for the qualification.

Elective units selected must not duplicate content already covered by other units in this qualification.
