Release 1	This version released with RGR Racing and Breeding Training Package Version 2.0.

Qualification Description

This qualification reflects the role of individuals licensed to operate a business that trains greyhounds under racing industry regulated licensing criteria for the purpose of competing in industry-regulated events in the greyhound racing code.

It covers the care, maintenance and performance of greyhounds and the tasks and duties associated with running a racing establishment, including managing staff, finances and equipment. Trainers are responsible for planning and organising their own work, leading others and carrying out often complex and non-routine tasks.

Licensing, legislative, regulatory or certification requirements may apply to this qualification. Refer to your state or territory Controlling Body or Principal Racing Authority for current licence or registration requirements.

Entry Requirements

To undertake this qualification the individual must have:

- skills and knowledge commensurate with *RGR20117 Certificate II in Racing (Greyhound)* demonstrating industry-relevant experience in the care, welfare and management of greyhounds.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 15 units of competency:
 - 11 core units plus
 - 4 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- at least 2 electives from Group A

- up to 2 electives from Group B, or any currently endorsed Training Package or accredited course.
