Assessment Requirements for RGRCMN203 Comply with racing industry ethics and integrity

Release: 1

Assessment Requirements for RGRCMN203 Comply with racing industry ethics and integrity

Modification History

Release	Comments
Release 1	This version released with RGR Racing and Breeding Training Package Version 2.0.

Performance Evidence

An individual demonstrating competency in this unit must satisfy all of the elements and performance criteria of this unit. There must be evidence that the individual has:

- located information about racing industry ethics and integrity, including:
 - relevant state or territory Principal Racing Authority (PRA) and workplace policies, including social media policy
 - relevant sections of the rules of racing
 - animal welfare principles, practices and regulations
- applied the directives of the relevant PRA, stewards and/or other officials in at least two racing-related activities
- engaged in at least two positive interactions with racing stakeholders on issues relating to racing industry ethics and integrity and animal welfare.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- PRA and racing industry standards and expectations relating to ethics and integrity, including:
 - rules of racing relating to ethics and integrity for relevant code
 - animal welfare
- animal welfare issues at different lifecycle stages
- strategies used to prevent or minimise animal welfare issues
- strategies for addressing community viewpoints regarding the use of animals in sport
- community viewpoints regarding the use of animals for sport and issues relating to animal welfare
- role of stewards in relation to integrity, ethics and animal welfare
- types of ethical and unethical conduct in racing
- appeals and inquiries processes and procedures

- social media policy for relevant PRA and/or workplace
- protocols and procedures for communicating with stewards, racing officials and tribunal members
- regulations and legislation related to non-discriminatory language and behaviour.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - relevant racing sector work site or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - relevant state/territory PRA's social media policy
 - rules of racing
 - racing ethics issues
- specifications:
 - relevant workplace documentation and resources
- relationships:
 - real racing personnel and community members or realistic scenarios or role-plays for interactions relating to racing industry ethics and integrity.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
