Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has:

- supervised and supported at least two staff in the raising of young horses
- supervised the health, welfare and nutrition of at least three young horses.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- key features of young horse behaviour, body language and ability to learn
- basic requirements of induction programs
- approaches to staff mentoring and professional development, including providing constructive feedback
- horse foodstuffs and supplements
- horse gear and equipment, including types, use and maintenance
- horse health and welfare requirements
- types of routine preventative care, including vaccination and worming programs
- principles, practices and approaches to raising young horses
- learning theories for educating young horses
- work health and safety requirements and safe work practices:
 - safe horse handling techniques
 - hazard identification, risk assessment and controls
 - personal protective equipment (PPE) for safety and biosecurity
 - induction and briefings
 - duty of care for workers or handlers.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - a workplace that includes yards or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - various young horses – note that young horses can be less compliant and highly reactive, and should be assessed as suitable for the experience and skill of the handlers
 - at least two staff or handlers to supervise and oversee
 - appropriate tack and equipment for raising young horses
 - PPE correctly fitted and applicable for task of individual.

Training and assessment strategies must show evidence of the use of guidance provided in the *Companion Volume: User Guide: Safety in Equine Training*.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
