Application

This unit of competency describes the skills and knowledge required to perform basic driving skills using a well-educated standardbred horse and assistance from another person and/or technology such as a double-seated sulky. It includes protecting the welfare of people and horses and providing post-exercise care of horses.

The unit applies to individuals who perform routine harness-related tasks under supervision within the harness racing industry.

All work must be carried out to comply with workplace procedures, in accordance with applicable state/territory animal welfare and workplace health and safety legislative requirements.

Licensing, legislative, regulatory or certification requirements apply to this unit. Users are advised to check with the relevant Principal Racing Authority (PRA) for current requirements.

Pre-requisite Unit

The prerequisite unit of competency for this unit is:

- RGRPSH201 Handle racehorses in stables and at trackwork.
