RGRROP410 Perform duties of racehorse handicapper

Release: 1

RGRROP410 Perform duties of racehorse handicapper

Modification History

Release	Comments
Release 1	This version released with RGR Racing and Breeding Training Package Version 2.0.

Application

This unit of competency describes the skills and knowledge for racehorse handicappers to interpret race performance, rank race performance and compile and update handicapping records.

The unit applies to racing industry personnel who are required to apply the handicapping policy to the classification of racehorses for a racing governing body as part of their job role in the harness or thoroughbred codes of racing.

No occupational licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Racing performance (ROP)

Elements and Performance Criteria

Elements	Performance Criteria
