**Release: 2**

## RIICBS207D Take samples of materials used in road surfacing

### Modification History

Release	Comment
1	This unit replaces RIICBS207A Take samples of materials used in road surfacing.
2	Performance Criteria numbering amended. Required frequency and volume of evidence amended in Performance evidence. Substantial amendments made in Assessment Conditions field, including: references to Industry Sectors, assessor and subject matter expert experience requirements, how assessment should be conducted and what it should confirm.

### Application

This unit describes a participant's skills and knowledge required to take samples of materials used in road surfacing in Civil Construction.

This unit is appropriate for those working in operational roles.

Licensing, legislative, regulatory and certification requirements that apply to this unit can vary between states, territories, and Industry sectors. Relevant information must be sourced prior to application of the unit.

### Unit Sector

Civil construction

### Elements and Performance Criteria

1. Plan and prepare to take samples of materials used in road surfacing	1.1 Access, interpret and apply road surface materials sampling documentation and ensure the work activity is compliant 1.2 Obtain, read, interpret, clarify and confirm work requirements 1.3 Identify and address potential risks, hazards and environmental issues, and implement control measures 1.4 Select and wear personal protective equipment appropriate for work activities 1.5 Confirm and apply environmental protection and safety
---	---

	requirements 1.6 Select and check for faults tools and equipment to carry out tasks 1.7 Obtain and interpret emergency procedures, and be prepared for fire/accident/emergency
2. Take samples	2.1 Obtain and use suitable containers 2.2 Take samples 2.3 Handle, label and store sample
3. Clean up	3.1 Clear work area and dispose of or recycle materials 3.2 Clean, check, maintain and store tools and equipment 3.3 Carry out housekeeping requirements

## Foundation Skills

Foundation skills essential to performance are explicit in the performance criteria of this unit. Further information is available in the Resources and Infrastructure Industry Training Package Companion Volume.

## Unit Mapping Information

RIICBS207A Take samples of materials used in road surfacing
