**Release 2**

# RIISS00021 Concrete Paving - Hand Texturing and Curing Skill Set

## Modification History

Release	Comments
Release 2	This version first released with the RII Resources and Infrastructure Industry Training Package Version 8.0.  Substituting superseded units of competency with updated equivalent units.

## Description

This skill set addresses the skills and knowledge to work in hand texturing and curing operations in a concrete paving context for a range of purposes in a resources and infrastructure industry context.

## Pathways Information

The units provide credit towards a RII30920 Certificate III in Civil Construction qualification and other qualifications that allow for selection of these units.

## Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

## Skill Set Requirements

RIICCM206E Support plant operations

RIICRC317E Finish concrete pavements

RIICRC318E Cure concrete

RIISAM201E Handle resources and infrastructure materials and safely dispose of nontoxic materials

## Target Group

This skill set is for individuals who work in civil construction and concrete road pavement contexts, and who work under direct supervision in operational roles.

## **Suggest words for Statement of Attainment**

These units of competency from the Resources and Infrastructure Industry (RII) Training Package meet industry requirements for those aiming to work in hand texturing and curing within a concrete paving context.
