Release 2

RIISS00054 Traffic Controller Skill Set

Modification History

Release	Comments
Release 2	This version first released with the RII Resources and Infrastructure Industry Training Package Version 8.0. Substituting superseded units of competency with updated equivalent units.

Description

This skill set addresses the skills and knowledge to work in traffic controller in a temporary traffic management context.

Pathways Information

The units provide credit towards a RII20120 Certificate II in Resources and Infrastructure Work Preparation qualification and other qualifications that allow for selection of these units.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

RIICOM201E Communicate in the workplace

RIIWHS201E Work safely and follow WHS policies and procedures

RIIWHS205E Control traffic with stop-slow bat

RIIWHS206 Control traffic with portable traffic control devices and temporary traffic signs

Target Group

This skill set is for individuals who work in traffic controlling contexts, and who work under direct supervision in operational roles.

Suggested words for Statement of Attainment

These units of competency from the Resources and Infrastructure Industry (RII) Training Package meet industry requirements for working as a traffic controller, in a temporary traffic management context.
