Assessment Requirements for RIUND302D Conduct cage operations

Release: 1

Assessment Requirements for RIIUND302D Conduct cage operations

Modification History

Not applicable.

Performance Evidence

Evidence is required to be collected that demonstrates a candidate's competency in this unit. Evidence must be relevant to the roles within this sector's work operations and satisfy all of the requirements of the performance criteria of this unit and include evidence that the candidate:

- locates and applies relevant documentation, policies and procedures
- demonstrates consistent and timely conduct of cage operations that safely, effectively and efficiently meet the required outcomes on a minimum of three (3) separate occasions including:
 - completing start-up procedures
 - completing cage operation procedures
 - completing transporting explosives operations
 - monitoring and managing cage performance using indicators
 - isolating, servicing, cleaning and adjusting the cage
 -

Knowledge Evidence

The candidate must demonstrate knowledge in conducting cage operations through:

- hand and power tools
- the key areas of mining acts and regulations pertaining to winding
- identification of defects relevant to cage operations through inspection or observation
- trip and fault procedures and abnormal conditions
- communication system between cage and winder
- isolation and permit-to-work procedures
- mine ventilation system
- site procedures
- in-shaft communication equipment
-

Assessment Conditions

- An assessor of this unit must satisfy the requirements of the NVR/AQTF or their successors; and Industry regulations for certification and licensing; and,
- this unit must be assessed in the context of this sector's work environment; and,
- this unit must be assessed using Resources and Infrastructure Industry sector specific policies, procedures, processes and operational manuals; and,
- an assessor must demonstrate the skills and knowledge of this unit through five (5) years of current and continuous work with the Industry sector and must hold the TAE Assessor Skill Set or equivalent.
