# **RII60609 Advanced Diploma of Civil Construction**

**Release: 1**

## **RII60609 Advanced Diploma of Civil Construction**

### **Modification History**

Not applicable.

### **Description**

The Advanced Diploma of Civil Construction reflects the role of managers working in Civil Construction who perform tasks that are broad, specialised, complex and technical and include strategic areas and initiating activities. They are responsible for the establishment of the site management systems, plans and policies and are required to demonstrate self-directed application of theoretical and technical knowledge and initiate solutions to technical problems or management requirements.

### **Pathways Information**

Not applicable.

### **Licensing/Regulatory Information**

Not applicable.

### **Entry Requirements**

Not applicable.
