SFICPL306 Gather, collate and record information

Release: 1

SFICPL306 Gather, collate and record information

Modification History

Release	Comments
Release 1	This version released with SFI Seafood Industry Training Package Version 1.0.

Application

This unit of competency describes the skills and knowledge required to gather, collate and record information for fisheries or aquaculture related issues.

The unit applies to individuals who are required to obtain statements, conduct interviews and use fishery or aquaculture database systems to document information. It includes situations where freedom of information and privacy legislation apply.

All work must be carried out to comply with workplace procedures, according to state/territory health and safety, biosecurity and environmental regulations, legislation and standards that apply to the workplace.

Regulatory requirements apply to this unit. Users are required to check with the relevant jurisdiction for current requirements.

Pre-requisite Unit
