## **Assessment Conditions**

Skills must be demonstrated in a beauty industry environment; this can be:

- a beauty industry workplace or
- a simulated beauty workplace set up for the purpose of skills assessment, that provides services to paying members of the public.

Assessment must ensure access to:

- paying clients, both new and regular, with different beauty products and services requirements, who have the expectation that the services provided reflect those of a commercial business
- hand washing facilities:
  - basin
  - hot and cold running water
  - liquid soap
  - single use towels or hand dryer
- relevant workplace documentation:
  - blank client records
  - organisational policies and procedures relevant to selling products and services

- manufacturer instructions for equipment
- safety data sheets for cleaning products and, where applicable, for treatment products
- product manuals listing product ingredients, formulations, labelling and guidelines for use
- salon treatment menus and prices.

Assessment must ensure use of:

- beauty products from a comprehensive professional range:
  - nail care
  - make-up
  - skin care.

Assessment activities that allow the individual to:

- provide advice within commercially realistic speed, timing and productivity
- demonstrate competency in an environment reflective of real work situations
- manage tasks and contingencies in the context of the job role.

Assessors must satisfy the Standards for Registered Training Organisation's requirements for assessors and:

- hold a qualification as a beautician or beauty therapist
- have worked as a beautician for at least three years where they have applied the skills and knowledge of this unit of competency.
