## Modification History

Not applicable.

## Application

This unit describes the performance outcomes, skills and knowledge required to apply facial make-up products for day, evening or special occasions.

It requires the ability to consult with clients, analyse face and skin, and to demonstrate and apply make-up products to suit client needs or make-up brief.

This unit applies to beauty therapists, retail assistants, and make-up freelancers who work in beauty salons, retail cosmetic outlets, and settings that provide make-up services. In this environment they make routine service decisions within a defined range and have knowledge and skills of a variety of make-up products and application techniques.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
