SHBBMUP004 Design and apply remedial camouflage make-up

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to apply specialised make-up products to disguise skin imperfections on the face and body.

It requires the ability to consult with clients, select products and equipment, and apply camouflage make-up to disguise the appearance of blemishes, birthmarks and scars.

This unit applies to beauty therapists and make-up artists who work in beauty salons and make-up studios and as freelancers. In this environment they work as part of a team but make independent treatment decisions and have knowledge across a range of specialised make-up products and application techniques.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
