SHBBMUP007 Work collaboratively on make-up productions

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to collaborate with hair stylists, photographers and make-up professionals on make-up productions.

It requires the ability to interpret a make-up brief and liaise with a professional network to design, trial, and apply make-up. They work with stylists, photographers, and other make-up artists on make-up production, and maintain a make-up portfolio for future assignments.

This unit applies to make-up artists who work with a small team of professionals on make-up productions and make independent creative decisions. They have knowledge and skills across specialised make-up techniques and products and working in a team under pressure.

No occupational licensing, specific legislative, regulatory or industry certification requirements apply to this unit at the time of publication.
