SHBBMUP013 Design and apply creative make-up

Modification History

Supersedes and is not equivalent to SHBBMUP006 Design and apply creative make-up.

Application

This unit describes the performance outcomes, skills and knowledge required to respond to a client brief to design and apply make-up for specialised looks that use creative design and application of make-up.

It requires the ability to refine a brief with a client and then research, design, trial and apply a creative make-up.

This unit applies to make-up artists who work in make-up studios and as freelancers. In this environment they may work as part of a team or autonomously, but they make independent creative decisions. They have knowledge and skills of make-up products and specialised make-up application techniques.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
