## Modification History

Not applicable.

## Application

This unit describes the performance outcomes, skills and knowledge required to apply a limited range of hair colour products including semi, demi and permanent products for full and re-growth services.

This unit applies to salon assistants who work in hairdressing or barber salons under close supervision and with guidance from more experienced or senior hairdressers or barbers. They use little judgement and follow instructions specified by the hairdresser or barber who has completed the client consultation and manages the client service.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
