SHBHCUT003 Create graduated haircut structures

Release: 1

SHBHCUT003 Create graduated haircut structures

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to consult with clients and analyse hair and facial characteristics to design and recommend complementary graduated haircuts. It requires the ability to cut hair into graduated hair cut structures and to finish hair to shape.

This unit applies to hairdressers and barbers with well-developed skills who work in hairdressing salons or barber shops. They use discretion and judgement to manage the client service and take responsibility for the outcomes of their own work.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
