 - clients in a hairdressing or barbering industry workplace, or
 - clients in a simulated hairdressing or barbering workplace within a training organisation who have the expectation that the services provided reflect those of a commercial business
- sufficient client traffic to allow for prioritisation of tasks so that clients are serviced effectively in a logical sequence
- activities that require the individual to work with commercial speed, timing and productivity to:
 - deal with multiple tasks simultaneously
 - complete client services within designated timeframes that reflect accepted industry practice
- a hairdressing or barbering services workstation with:
 - one mirror per workstation
 - one adjustable client services chair per workstation
 - one blow dryer with heat diffuser per workstation
 - clean client gowns or wraps
 - heat lamps
 - hair dryers
 - thermal straightening and curling tools
 - professional styling and finishing products which can be:
 - gels
 - glazes
 - lotions
 - mousses
 - setting lotions
 - sprays
 - waxes
- one operator trolley per workstation stocked with:
 - combs
 - brushes:
 - Denman style
 - round
 - vent
 - sectioning clips
 - as required in the hairdressing or barbering context:
 - hair rollers of different sizes
 - pin curl clips

- pins
- product instructions
- organisational procedures for:
 - client comfort and safety
 - work health and safety for hair styling services
 - waste minimisation
 - waste disposal.

Assessors must satisfy the Standards for Registered Training Organisation's requirements for assessors; and:

- hold a Certificate III in Hairdressing, or a Certificate III in Barbering, or a Certificate IV in Hairdressing, or be able to demonstrate equivalence of competencies; and
- have at least three years full time employment experience as a hairdresser in a salon environment where they have applied the skills and knowledge covered in this unit of competency to assess this unit as **part of a hairdressing qualification**; this cannot include any indentured traineeship or apprenticeship period; or
- have at least three years full time employment experience as a barber in a shop or salon environment where they have applied the skills and knowledge covered in this unit of competency to assess this unit as **part of a barbering qualification**; this cannot include any indentured traineeship or apprenticeship period.
