SHBHREF003 Straighten and relax hair with protein treatments

Release: 1

SHBHREF003 Straighten and relax hair with protein treatments

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to consult with clients, analyse hair characteristics and condition and to complete protein treatments to reduce curl or wave in the hair. Treatments can be for untreated naturally curly or wavy hair or for chemically treated hair.

This unit applies to hairdressers and barbers with well-developed skills who work in hairdressing salons or barber shops. They use discretion and judgement to manage the client service and take responsibility for the outcomes of their own work.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Competency Field

Hair Reformation

Unit Sector

Hairdressing

Elements and Performance Criteria
