**Release 1**

# SIS30122 Certificate III in Sport, Aquatics and Recreation

## Modification History

Not applicable.

## Qualification Description

This qualification reflects the role of individuals with well-developed skills and knowledge required to deliver recreational services. Using discretion and judgement, they work with some independence and under limited supervision using clearly defined plans, policies and procedures to guide work activities.

Specialisations are available for customer service officers, recreation officers, pool life guards and swim teachers but are not mandatory to achieve this qualification.

This qualification provides a pathway to work for any type of sport, aquatic or recreation organisation including commercial, not-for-profit, community and government organisations.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.
