SIS50421 Diploma of Outdoor Leadership

Release 1

SIS50421 Diploma of Outdoor Leadership

Modification History

Not applicable.

Qualification Description

This qualification reflects the role of highly skilled senior leaders or program, logistics and operations managers.

Senior leaders lead and supervise dependent participants in recreational activities and have a role in planning these activities. They are highly proficient in activity techniques and have well-developed leadership skills to manage group participation, cohesion, operational logistics, risk and significant problems as they arise.

Managers are involved in recreational program planning, implementation and evaluation, facility and equipment management, the leadership of personnel, and the operational management of a department or a small business.

All work with significant autonomy, using initiative and judgement to analyse and solve complex problems, and to design systematic approaches to operational practices.

This qualification provides pathway to work for any type of organisation that delivers outdoor recreation activities including commercial, not-for-profit and government organisations.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

28 units must be completed:

- 13 core units
- 15 elective units, consisting of:
 - all the units in any two Groups A to AE
