SISCAQU006 Supervise clients in aquatic locations

Release: 1

SISCAQU006 Supervise clients in aquatic locations

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to supervise clients in aquatic locations, minimising risk through identifying and responding to potential hazards and emergencies.

This unit applies to those working in aquatic settings or environments such as swimming pools and other aquatic recreation facilities. Work is performed according to best practice principles of aquatic activities, relevant legislation and organisational policies and procedures.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Competency Field

Aquatics

Unit Sector

Community Recreation

Elements and Performance Criteria

ELEMENTS

Elements describe the essential outcomes

1. Identify potential hazardous behaviours and situations.
2. Maintain a safe aquatic facility or environment.

PERFORMANCE CRITERIA

Performance criteria describe the performance needed to demonstrate achievement of the element.

- 1.1 Access and interpret the organisation's risk management plan.
- 1.2 Identify hazardous behaviours and activities of clients.
- 1.3 Identify clients at risk or those who have specific needs.
- 1.4 Identify environmental hazards for clients in aquatic facilities or environments.
- 2.1 Promote compliance with safety rules to clients and staff and provide clear information on requirements.
- 2.2 Identify supervision requirements and select techniques

- suited to the facility or environment.
- 2.3 Monitor client behaviour and activities and identify situations that pose a risk to the individual or other facility users.
- 2.4 Inform clients of unacceptable behaviours and provide clear information about required behaviour.
- 2.5 Select and use communication and conflict resolution techniques that maximise the chance of positive outcomes.
- 2.6 Report and document unsafe situations.
- 3. Assess possible emergency or rescue situations.
 - 3.1 Identify signs of possible casualty or difficulty.
 - 3.2 Assess situation and determine appropriate response to emergency.
 - 3.3 Promptly communicate emergency situation to appropriate personnel.
 - 3.4 Report and document incidents.

Foundation Skills

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.
