Release: 1

SISSSCO007 Apply sport psychology principles

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to assist participants to develop basic psychological skills to optimise sporting performance in sport-specific training and competition settings.

This unit applies to individuals working in community-based roles in the Australian sport industry in coaching and support roles. This includes individuals working and volunteering in sport clubs and organisations.

Specific industry accreditation requirements may apply to sport-specific coaching accreditation, and information should be obtained from the relevant National Sporting Organisation (NSO).

Pre-requisite Unit
